

Privacy notice for the Capriccio Special Seminar 2024

Your personal data collected through registration form is solely used for the successful organisation and execution the Capriccio Special Seminar (CSS) 2024.

For what purpose is the personal data collected?

We will distribute information and material associated to the seminar talks like

- link for the zoom meetings,
- reminders before the presentations,
- discussion of particular questions in the context of the seminar,
- announcing upcoming events of the Capriccio group

Where is the data stored?

CMS Serverhosting
Zentrale Systeme
Martensstraße 1
91058 Erlangen
E-Mail: rrze-hosting /at/ fau.de

Who has access to the data?

All Capriccio group members, cf. www.capriccio.research.fau.eu

When is the data deleted?

To allow for any enquiries after the CSS 2024 and to announce the following annual CSS, the data will be deleted after 2 years.

Beyond this, Capriccio's general privacy policy holds, cf.

www.capriccio.research.fau.eu/privacy/

For further questions, please contact [sebastian.pfaller /at/ fau.de](mailto:sebastian.pfaller@fau.de).
